THE GRAND CRU STORY

CULTIVATED AND AROMATIC CIGARS

Inspired by Zino Davidoff's wine-cigar analogy in 1946, Davidoff Grand Cru is a sophisticated blend using the finest tobacco leaves from carefully selected terroirs; a selection process similar to that of wine-making.

TASTE EXPERIENCE OF DAVIDOFF GRAND CRU

The line offers a range of various formats in small to large ring gauges. The mild Dominican tobaccos provide an ideal taste experience for novices and those looking for a cultivated blend.

CIGAR PAIRING FOR LOVERS OF WINE

A FLAVOURFUL MARRIAGE

The Grand Cru line is perfect for lovers of Bordeaux wines with flavourful tannins.

The cigar's flavours of oak wood, liquorice and fresh spice are best matched with those of a Bordeaux wine that was aged in oak wood barrels. Grand Cru is best enjoyed during an apéro riche or after a heavy lunch.

TASTE EXPERIENCE OF DAVIDOFF MILLENNIUM

The Millennium blend is predominantly composed of ligero and visus leaf grades. The aged Dominican tobaccos combined with the special Ecuadorian wrapper deliver a refined and medium-intense taste experience.

ESCURIO

FROM WATER COMES ORIGINALITY

THE DAVIDOFF ESCURIO STORY

FROM WATER COMES ORIGINALITY

Water flows through the story of Davidoff Escurio. A cigar kissed by the rains and born in the Brazilian Todos os Santos Bay. The climate gives Escurio its distinctive sweet original taste and rich aroma. Notes of salt and spice to give you flavours that exhilarate.

Only the Davidoff Master Blenders could take on the power of nature and blend it into a range of exceptional cigars with distinct flavours.

Water. Fire. Earth.

TASTE EXPERIENCE DAVIDOFF ESCURIO

Davidoff Escurio is a unique blend that combines Davidoff signature tobaccos and Brazilian tobaccos from the Bahia region. The bigger ring gauges of the respective formats allow for more Brazilian tobacco in the filler, which reduces the influence of the Ecuadorian wrapper.

At the start, subtle notes of sweet cream and oak wood mingle with hints of salt, soon to be superseded by aromas of liquorice, leather and dark chocolate. As the cigar comes to its close, aromas of coffee and wood balanced by fresh pepper make an appearance.

CIGAR PAIRING FOR LONG DRINK LOVERS

A SWEET AND SPICY MARRIAGE

Davidoff Escurio with its flavours of oak wood, dark chocolate and pepper pairs well with refreshing long drinks and cocktails such as whisky or rum sours. The sour dimension of the drink creates a unique pairing experience.

NICARAGUA

FROM FIRE COMES INTENSITY

THE DAVIDOFF NICARAGUA STORY

FROM FIRE COMES INTENSITY

Fire is not easily tamed, yet the Davidoff Master Blenders have done it. You can taste the heat and intensity of the rich, volcanic soil of Nicaragua that they softened to bittersweet perfection. You will feel a fire to match the passion for fine cigars.

Only the Davidoff Master Blenders could take on the power of nature and blend it into a range of exceptional cigars with distinct flavours.

Water. Fire. Earth.

TASTE EXPERIENCE DAVIDOFF NICARAGUA

Davidoff Nicaragua stimulates in both a sweet and bitter way. The cigar offers intense flavours typical for Nicaraguan cigars combined with the perfect construction and balance of a Davidoff cigar.

The first third of the cigar is dominated by aromatic spice that complements undertones of wood and caramel. Balanced flavours of coffee and chocolate blend with notes of cream and as a whole supersede the initially spicier stimulation.

CIGAR PAIRING FOR RUM LOVERS

A FIERY AND BITTERSWEET MARRIAGE

The fiery and bittersweet palate stimulation of Davidoff Nicaragua goes best with a creamy and matured rum. The specially selected well-aged Nicaraguan tobaccos blend to an intense experience of spice, roasted coffee and leather, and pair perfectly with the texture of matured rums.

THE DAVIDOFF YAMASA STORY

FROM EARTH COMES COMPLEXITY

The rich, red soil of the Yamasá valley was a challenge for the Davidoff farmers and Master Blenders. Yet 20 years of dedication moulded those earthy and spicy flavours into a complex masterpiece. It is a small miracle that such an enjoyment rose from the earth.

Only the Davidoff Master Blenders could take on the power of nature and blend it into a range of exceptional cigars with distinct flavours.

Water. Fire. Earth.

TASTE EXPERIENCE DAVIDOFF YAMASA

Davidoff Yamasá offers an intense, spicy-sweet palate stimulation, coupled with the signature Davidoff refinement and sophistication. The smaller ring gauge formats get a kick from the Yamasá tobacco.

CIGAR PAIRING FOR WHISKY LOVERS

«THE ORIGINAL SERIES» STORY

THROUGH THE DAY INTO THE NIGHT

Whatever the task, whatever the hour, Winston Churchill knew the right cigar can be a trusted companion. So the cigars which carry his name echo his character.

«THE ORIGINAL SERIES» TASTE EXPERIENCE

Winston Churchill was a man of many facets and interests. Leading an empire by day, writing books and speeches by night, all the while inspiring the people around him with his incredible depth of character – and always with a cigar in hand.

The refined and complex «The Original Series» translates this man's diverse character into a multi-origin blend that creates a taste experience as rich in variety as Churchill's daily routine.

CIGAR PAIRING FOR WHISKY ENTHUSIASTS

COMPLEX AND MULTI-FACETED

To accompany the complex and multi-faceted «The Original Series» with creamy notes and flavours of fresh spice and black coffee, the selected beverage should offer the same flavours and complexity.

One suggestion is a mild, elegant and malty whisky, ideally from the Highlands or from Speyside, delighting with a complimenting aroma profile. The cigars also pair very well with with an Earl Grey tea.

«THE LATE HOUR SERIES» STORY

THROUGH THE DAY INTO THE NIGHT

Whatever the task, whatever the hour, Winston Churchill knew the right cigar can be a trusted companion. So the cigars which carry his name echo his character.

«THE LATE HOUR SERIES» TASTE EXPERIENCE

For the darker hours of the day, Davidoff chose a shiny, oily Ecuador wrapper in a rich dark-chocolate shade. Nicaraguan filler tobaccos from the volcanic soils of Condega and Estelí add spice and depth, while the cask-aged Condega visus – matured in Scottish single-malt whisky casks – lends a mysterious sweetness. The result is a complex, full-bodied intense blend of remarkable intensity.

Notes of fresh spice and coffee lead the way, followed by leather, chocolate, and cream.

THE STORY

111 YEARS IN ONE MOMENT

One cigar.

One, and only one, cigar which holds aged tobaccos from our precious vaults with a combined age of over a century.

One historic rendezvous of the treasures of our inventory and the pleasures of cigar appreciation.

CRAFTSMANSHIP

The Oro Blanco Special Reserve 111 Years is crafted by Master Roller supervisors with at least 20 years' experience, and is only released once the Master Blenders have deemed it ready to be enjoyed.

Only when the supervisor is satisfied, will you be satisfied as well.

TASTE EXPERIENCE

ONE RARE BLEND WITH 111 YEARS AGED TOBACCOS

For the Oro Blanco Special Reserve 111 Years, Davidoff invested generously and regularly in its large tobacco inventory.

When the time came to create the exclusive toro, the Davidoff Master Blenders selected only the most exclusive tobaccos from their vaults: They chose tobaccos that had been patiently ageing for 17 to 20 years per variety, with all the tobaccos in the blend combining to an impressive total age of 111 years.

Meticulously looked after, these vintage tobaccos unlock a taste journey unlike any other.
